One of the best College with wide spacious lab with experienced faculty ,

best college

Nothing, its already good.

\*please Reducing students strength in b com clsses beacuse it will effect to luctureres beacuse of students noise. Sometimes students also not understnding their dubts in at a time because of high strength is clssrooms

improvement in placement cell.

1. Facilities available in the college should be made available equally to all irrespective of stream.

Giving more internship

Use the Advance technology as much as possible

Experimental teaching... Case analysis... And electronic form of teaxhing is required

Give more example

Must complete the syllabus properly

Connect to students individually.consider each and every students without partiality

Teacher's should also focus on students extra talent.. not only forcing to read syllabus..

Lack of equality

No improvement required

Interacting more with students, help them to participate in extracurricular activities, webinar should be conducted on life skills

Dont do partiality/ give fair marks to everyone

Dont do partiality/give fair marks to everyone

Maintaining the consistency and same quality of education

Improve quality teaching.

Make teaching two way interaction

Give more examples

Make some workshop on current topics ( like introduce some testing tools), introduce hacker rank, hacker earth platform to students, give some minor projects as a assignment.

1.Provide more workshops/hackathons for students. 2.Provide more seminar opportunities to students to build leadership quality. 3. Provide some additional knowledge about latest technology.

Teaching with help of videos for effective learning,Feedbacks,group discussion,daily tests on previously covered topics

Treat all equally.Allow us to do some extra curricular activities.

Teach some advanced subjects along with basics and also with practical knowledge

—

Nothing needed to improve. Bck is the brand for education in coastal karnataka.Thank you for everything.

The campus is good and also is richly equipped, infrastructure includes big practical labs, a sports/game room, library. The library includes a variety of books and if you are fond of reading you shall enjoy the time.

overall teaching was good.

Should give marks according to the marks they obtained in the internals. No changes should be made for only to the high scoring students'

Good going..do maintain..

I have no suggestions bcz the way of teaching from BCA department is too good

Keep it up

nothing to improve.....very well

Teach some advanced languages to students

Slow explanation

Excellent teachers and college

Have to encourage extracurricular activities.

Partiality(favourism) in giving marks for project work. Deducted my 222 marks without any particular reason

Evaluate the paper fairly, Help students to improve their skills and not just memorize

Continue the same

Please support student in other sports and culture activity .Explain the subject concept with more example it helps students to easily understand

Overall good

Good teaching

No comments

Practice knowledge in developer environment reaching should be given

.

Avoid partiality

Class with ppt presentation will be more helpful for understanding the topics

Stop targeting students and providing low marks to them

Increase culture activities ,sports

No suggestions

Explain

Only the teaching was done using projector which was difficult to understand.
