THE COLLEGE ANTHEM

Where the mind is without fear and the head is held high ;
where knowledge is free ;

Where the world has not been broken up into fragments by narrow domestic walls ;

Where words come out from the depth of truth ;

Where tireless striving stretches its arms towards perfection ;

Where the clear stream of reason has not lost its way

into the dreary desert sand of dead habit ;

Where the mind is led forward by thee into ever widening thought and action

Into that heaven of freedom, my Father, let my country awake.

- Rabindranath Tagore

ABOUT THE COLLEGE

Bhandarkars' Arts & Science College, Kundapura, sponsored by the Academy of General Education, Manipal, is a First Grade College of Arts, Science and Commerce. This College came into existence mainly as a result of the generous donation of Rs. 2,00,000 by Dr. A. S. Bhandarkar who was then a practicing doctor in Bahrain. Many prominent people of Kundapura and Rotary Club of Kundapura strove hard for the establishment of this college which was a long felt need of the taluk. With the co-operation of the public of Kundapura, Academy of General Education, Manipal took up the responsibility of nurturing this institution. The college is was established in order to meet the growing demand for the university education and to make it available to the economically less fortunate section of the society in making them academically equipped to face challenges in the age of science, technology & international commerce. The founders also believed that no education would be worth the name, if the instructions in various disciplines are not accompanied by proper shaping of character. The College aims to instill a sense of discipline and purpose, cultivation of proper attitudes and an awareness of various responsibilities which the youth would be called upon to shoulders in their lives. In addition, an emphasis on civil virtues and a sense of social values are among the thing sought to be impressed upon those who seek admission here.
